Your Gift Will Make a Difference!
Hoping for Your Support!
Dear Friends,

Would you like to make a difference in the lives of children and adults with disabilities, helping them to enjoy a high quality of life? Would you like to be part of a team of people who work to provide the resources and opportunities necessary to assist these individuals to be productive members of our community and live as independently as possible? Please join the Target Community & Educational Services, Inc. team, which has provided vital services for individuals with disabilities for over 32 years.

Meet Annie, who has received services from Target for over 13 years. Annie loves working with people in the community and enjoys helping others. She worked as a hostess at Friendly’s Restaurant for over 10 years and is now excelling as a Quality Assurance Associate at Safeway, a position that has afforded her greater independence.

Annie is athletic and enjoys sports such as track & field and Bocce Ball. She is looking forward to playing basketball. She loves social events, music, and dancing. If there is an event, party, or dance... Annie will be there! She is very photogenic, as you can see, and loves to have her picture taken.

Brian enjoys working outside, helping on his uncle’s farm, and working out at the gym. He is a college football fan and likes to watch C-Span and Carroll Burnett. He enjoys singing along with Michael Jackson and Whitney Houston. He loves all holidays and spending time with his family. Brian has been with Target for over 13 years.

Brian has worked at Jiffy Mart for seven years. He quickly builds strong relationships with coworkers and customers. We have often heard that “Brian is the face of Jiffy Mart!” Brian is proud of his work and tells everyone that Jiffy Mart is “the cleanest place in town!”

Your gift will make a difference! Please join us in providing vital services for individuals with disabilities, like Annie and Brian, whom we are honored and privileged to serve. We hope for your support, joining us to assist individuals with disabilities in targeting their dreams and realizing their full potential. We appreciate your consideration of support!
